

TRAVEL COSTS TO ALL SAINTS' ACADEMY

In recent years, Notts County Council has introduced a flat rate charge of £300 per year for a season ticket for bus travel between Newark and Mansfield.

All Saints' Academy is the designated Catholic feeder secondary school from Holy Trinity.

Children already at All Saints and receiving free travel are not affected. The charges are waived for parents receiving the maximum level of tax credit or where the pupil is receiving free school meals. In some other cases, however, parents may find it difficult to meet the full cost even if paid at the rate of £100 per term. If this is the case, there are two funds open for you to access:

1. Holy Trinity Travel Fund

This is set up by Holy Trinity Parish and administered by Trustees.

- The cost of travel would be paid directly to Notts County Council upon an award being made.
- Application forms are available from school office, Parish office, Parish website or either schools website.

This fund is made up of donations from our community. Funds for dispersal are limited and have to be supplemented on an ongoing basis.

2. All Saints' Travel Fund

By application to All Saints' Academy.

- Please see the separate information sheet which details in full the Travel Fund policy and eligibility criteria. This accompanies the Application Form.
- To be eligible for a grant, parents will need to be able to demonstrate that they are in receipt of one of the following: Housing Benefit, Council Tax Credit, Free prescriptions on the grounds of low income, maximum Child Credit or Working Tax Credit.
- At the Head Teacher's discretion, funding may also be made available to assist families with 3 or more children attending the Academy.
- Application forms are available **ONLY** from the school or from its website (www.allsaints.notts.sch.uk)
